DAVENPORT PULSE

Transfer with Ease

Helping your grads stay on track, on budget and in demand

Trust us to keep the momentum going for your students looking to transfer for an advanced degree. Since we understand that their choices often narrow down to community, quality and affordability, we create customized plans for each of our transfer students at Davenport University. These plans can include up to 90 transfer credits and cover next steps in coursework, financial aid, internships and other career opportunities.

As you speak with another season of upcoming community college graduates, please refer to the quick-read updates below for timely information on transfer student successes and value at Davenport.

Access more comprehensive details about our diverse, supportive community at this link:

Student Features and Careers

Success stories and highlights from the Davenport community

Alumni success story: Stephanie Blanco '99, BBA

From teenage mom to partner in an accounting firm, Stephanie Blanco recalls the flexibility and support she found while at Davenport University. Strong connections with her advisor and professors, along with internships and tutoring, backed her success-driven mindset toward achieving a Bachelor of Business Administration in Accounting. More than 20 years later, she's leading the way as a partner at John Kasperek Co., Inc. and serving in the Illinois CPA Society.

Your home for the helpful information students need to know now

Steps for a smooth transition to Davenport

Our transfer admissions team gets to know student goals and helps them get everything in place.

Community college partnerships and transfer credit details

Find transfer credit details for your specific partner college.

Find the best financial aid for transfer students

Our counselors will work to build a personalized financial aid package with a focus on affordability and ongoing 1:1 support. **All transfer students qualify for a scholarship or 20% discount.**

COLLEGE OF URBAN EDUCATION

HIGHLIGHTS, UPDATES AND EVENTS

Davenport Designs Bachelor's Degrees to Tackle Teacher Shortages in Urban Areas and Beyond

Our new Bachelor of Science in urban STEM education degrees provide deep expertise in K–12 STEM instruction and culturally responsive teaching strategies to empower teachers and their students intellectually, socially and emotionally. The elementary Bachelor of Science degree offers an optional concentration in integrated science, and the secondary Bachelor of Science degree offers a concentration in biology, chemistry, math, physics or integrated science. Flexible class schedules include real-time virtual online education courses combined with in-person STEM courses offered across campuses in Detroit, Grand Rapids and Lansing.

Events and Reminders

Pass along the info!

Nursing events

Nursing information sessions and application workshops are happening now through May. Whether a student intends to declare a nursing major or is simply curious, they are encouraged to attend one of these informational events. **The next virtual information session is on April 14.**

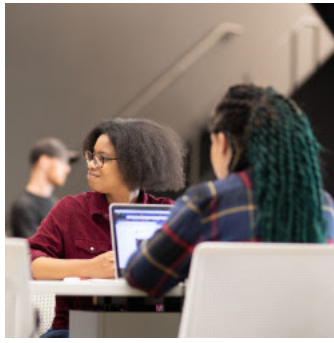

[Get Details and Sign Up](#)

Housing applications

Davenport's fall 2022 housing application is now open. **Students who apply to live on campus may be eligible to receive between \$500 and \$1,000 toward their total housing expenses.**
